70017063 TROUSERS CWSL W NAVY

- » Trousers with multiple pockets closed with a zipper and buttons.
- » Waistband with rubber on the sides for a better fit, pre-shaped raised up to the back.
- » Two front pockets, two covered patch pockets on the legs and two covered pockets behind. All pockets have pulls.
- » Pre-shaped knees for greater comfort.
- » Contrasting details in grey.
- » COMPLETE RANGE. This garment is part of a larger clothing collection with the same design principles and quality that gives you a global solution to your needs.

Durability useful life increased by up to 50 wash cycles at 60°C fulfilling all parameters required by current regulations.

The pre-shaped waistband considerably increases the image both when upright and when the workman is crouched working, which leaves no part of the body unprotected.

Wide and strong belt loops, including a belt loop for tool holders.
