COOLWORK SPOTLIGHT VEST

70017072 VEST CWSL MTBS M NAVY

70017071 VEST CWSL MTBS W NAVY

- » Vest with front closure with a covered zipper with storm flaps, two lower pockets closed with zippers.
- » Loop on the left breast, coattails and adjustable waist with a concealed elastic draw cord and stoppers.
- » Contrasting details in grey.
- » COMPLETE RANGE. This garment is part of a larger clothing collection with the same design principles and quality that gives you a global solution to your needs.
- » This garment can be personalised with your company's logo on the chest and on the back.
- » Slanted pocket closed with a zipper which prevents objects from falling out when kneeling down or moving.
- » Ergonomic design, cut without a waistband and with coattails, making sure that when you lift your arms up or crouch no part of the body is left exposed.
- » Adjustable waist.

Durability useful life increased by up to 50 wash cycles at 60°C fulfilling all parameters required by current regulations.
