PROTECTION

CAT II

EN ISO 20471:13/A1:16

Individual use

DESCRIPTION

» Two-toned short-sleeved t-shirt, elastic round neck.

» New to the work environment, we have added the T-shirt as another item in our collection, making it a wardrobe essential.

» Breathable, flexible, heat-sealed reflective tapes on arms and torso. Its bevelled design is modern and dynamic.

» Contrasting colours in high contact areas to avoid soiling. Neck, pocket openings, bottom hem, etc...

» **WIDE SELECTION.** This garment is part of a wide collection of garments with the same line of design and qualities that offer a global solution.

» Garment may be customized with your company logo on the chest and back.

» **Breathability.** The construction of the main fabric with a 4-channel ventilation fibre offers excellent perspiration management by wicking moisture from inside the garment to the outside away from the wearer's skin and quick-drying using capillary action.

» **Durability** extended to 50 washes at 60°C in compliance with all the specifications required by standards.
