

# Suprax

The comfortable and robust seat harness for rope-supported work.

## Product description

- Breathable, wide back and hip pads, leg pads and shoulder straps are removable - for maximum comfort.
- Automatic belt buckles and numerous adjustment options for fast application and an optimal fit.
- Folding side attachment elements (lateral) do not impede climbing.
- Webalert - warns about cracked belts.
- ZmartCheck - provides quick access to security-relevant information.
- Aluminium eyelets sternal, dorsal and ventral - light and robust.
- A fall indicator is located on the lower back of the dorsal attachment point. If the load exceeds 6 kN, a label becomes visible: WARNING. Fall indicator.
- Label field on the product label bag.
- Suitable for people up to 150 kg.

## Hints and special features

Complies with EN 361, EN 358 and EN 813.
