

Product data sheet for uvex Bamboo TwinFlex® D SG

The patented Bamboo TwinFlex® technology combines the best of both worlds in one fine 18-gauge cut protection glove (Cut Level D). The bamboo viscose on the inside feels noticeably comfortable against your skin. The thin, flexible fit and high moisture absorption ensure long-lasting comfort and high wearer acceptance. Protect yourself from external hazards. High-performance fibres offer a high level of protection against abrasion and cut hazards. Thanks to the thin aqua-polymer SoftGrip coating, the Bamboo TwinFlex® D SG offers excellent grip in dry areas and outstanding dexterity.

Features

- Ergonomic fit
- Extremely sensitive
- Extremely light
- Good grip
- Long service life
- Extremely flexible
- Very good cutting protection
- certified skin compatibility (proDerm®)
- Excellent touchscreen capability

Suitability for industrial working environments

- Suitable for dry and slightly damp work environments

MADE IN GERMANY
